DETAILED ACTION

Note: This is in response to Appeal Brief filed 11/01/2007.

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 4, 8-15, 16, 18, 20-24, 26-29, and 31-38 are rejected under 35 U.S.C. 102(b) as being anticipated by Bonutti et al. (U.S. 5,593,425).

Anderson discloses in figures 2 and 10-11C, a first rigid bone plate; a second rigid bone plate positioned on the opposite the first bone plate; a suture connected with the first and second plates; a tubular member positioned within the fractured bone; and furthermore, wherein the suture is disposed within the tubular member; and furthermore, at least one fastener positionable through the first rigid bone plate into the bone to hold the first rigid bone plate to the bone.

Response to Arguments

1. Applicant's arguments, see appeal brief, filed 11/01/2007, with respect to the rejection(s) of claim(s) 4, 8-15, 16, 18, 20-24, 26-29, and 31-38 under Anderson '194 have been fully considered and are persuasive. Therefore, the rejection has been withdrawn. However, upon further consideration, a new ground(s) of rejection is made in view of Bunutti et al. '425.

Conclusion

3. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
